Dear Mr. Whyrick:

This letter will supplement our letters dated January 9, 2001 and January 10, 2001 which are in response to your correspondence dated December 12, 2000 and December 19, 2000.

In our prior correspondence we advised that a second follow-up letter was sent to contributors who had not furnished requested information in the form prescribed by the code of federal regulations. Attached hereto and made a part hereof the same as if set out in full at this place is a table containing the contributor's name and address and the employer and occupation that were furnished to us on the prescribed form returned by the contributor. Please allow this table to amend previous reports or be considered an amended memorandum to Schedule A. If the form of this response is not satisfactory, please advise in what form you wish us to furnish this information.

We will of course continue to supplement our filings with new information as it might be received.
